

RADIO DIAGNOSTICS: X-RAYS, CT, MRI, INTERVENTIONS

The price list includes prices for health care services that are provided to patients who do not have a contractual relationship with health care providers, in particular:

1.1 foreigners from countries with which the Slovak Republic does not have a signed contractual relationship for the provision of basic health care,

1.2 foreigners from EU Member States without the necessary documents (applies to outpatient health care, inpatient health care is reported to the health insurance company in the case of urgent care, the patient provides his/her identification data),

1.3 foreigners from EU Member States with valid necessary EU insurance card (EHIC) who are interested in planned care without initial approval from their home insurance company abroad.

The price list includes prices for health care services that are provided to patients who have a contractual relationship with health care providers, but require:

2.1 to provide the service at its own request,

2.2 to provide a service that is not covered by public health insurance,

2.3 to provide above-standard health care, related above-standard services, or the use of materials or aids that are not included in basic health care and are therefore not covered by public health insurance,

2.4 provide services that are not covered by the health insurance company,

2.5 provide services that are beyond the scope of the reimbursed services or are only partially or limited covered by the health insurance company.

Examinations and prices - SELF-PAYERS Specialized ambulatory care (ŠAS)/Joint examination and treatment components (SVLZ)	CODE	VAT	PRICE in € with VAT
---	------	-----	---------------------

The price for the medical procedure ŠAS/SVLZ will be determined by multiplying the number of points of the relevant procedure according to the valid catalogue of procedures with a price of 1 point

Price for 1 point of medical procedures SVLZ RADIOLOGY		0%	0,04
Price for 1 point of medical procedures SVLZ PHYSIATRY, BALNEOLOGY AND MEDICAL REHABILITATION		0%	0,04
